## Standard Conditions of Use

Welcome to Greater Manchester Fire and Rescue Service (GMFRS), we are really pleased that you are planning to use our Bury Safety Centre facilities. Our aim as a Fire and Rescue Service is to help make Greater Manchester a safer place, with a particular focus on preventing injuries and deaths from fires. Getting to know our communities helps us better understand their needs and how we can help to make them safer.

As a Fire and Rescue Service we produce a Corporate Plan which outlines how we are going to address some of the fire related risks that exist throughout Greater Manchester. The key focus areas are Health, Education, Crime & Disorder, Housing and Employment.

Thank you for your interest in visiting the Greater Manchester Fire and Rescue Service (GMFRS) Training and Safety Centre.

During your visit some of our crews may also wish to come and talk to you about fire safety and other related issues. We ask that you help facilitate this as safety education is crucial for everyone and it's a real opportunity for us to build some links with the community and really work together to help save lives.

We very much hope you enjoy visiting the Training and Safety Centre, if you have any questions or feedback please email [safetycentre@manchesterfire.gov.uk](mailto:safetycentre@manchesterfire.gov.uk) or phone GMFRS Training and Safety Centre on 0161 6034620.
